Make 2 “C” Units

1. Take 1 white square and 1 Red square and trim to 3 ½” square
   (You can cut these at 3 ½” when you start cutting, we have found it is easier to cut all of the fabric into 4 ¼” squares to begin. Then trim all of the units to 3 ½” before assembling the block.

Assemble 9 units together to make 1 block, square to 9 1/2”.
